

Thank you for all the ways you continue to give and serve towards disaster recovery! Our recovery efforts continue even as we face new disasters. I am reminded of our need to trust in the Lord's strength and his mighty power to sustain our work. Please take a moment to review these updates so you can stay connected and find your place to serve! Scroll down to see our new Port St Joe rebuild team dates through March 2020 so you can plan ahead. Thank you again! -Joe

Hurricane Dorian Relief

Hurricane Dorian decimated parts of the Bahamas last week leaving thousands without homes and causing millions in damage. The [Bahamas Methodist Habitat](#) is located about 80 miles away from the heavily affected areas, but will serve a primary role in offering resources and help. A plan to mobilize volunteers UMVIM teams will be forthcoming in the weeks and months ahead. [Please click here](#) to read about how UMCOR relief efforts are already underway. The most helpful thing we can do right now is to donate to UMCOR's International Response and Relief Advance #982450, or [click here](#). You can also [donate directly to Bahamas Methodist Habitat](#) on their website.
